## GENERAL INFORMATION

### A. Audience

General entry requirements include:

- At least 15 years of previous education
- Holding a first level academic degree (Bachelor degree or academic diploma) in fields related to the selected study program
- Certificate of English/Italian language (CEFR B1 on entry)

The evaluation of an application is based on the positive assessment of both the Course Leader and Admission Committee who will evaluate whether the degree and the technical skills correspond to requirements, and will identify possible educational credits or debts.

Master programs are open also to students with not related degrees or diplomas, if the applicant is motivated by a research interest towards the programs' topics.

Participants not holding a first level Bachelor degree/academic diploma will not earn the educational credits, but will receive a certificate of attendance (not recognized by MIUR, Italian Ministry of Education University Research) on successfully completing the program.

### B. Admission process

Within 7 days from the application submission, NABA Admissions Office will inform the candidates about the acceptance and, in case of positive feedback, will send the Admission Letter and Enrolment Form to the students. The admission will stay conditional until the declaration of value and the required language certificate are submitted to the school.

### C. Deadlines

Applications can be sent by post or e-mail within **August 25<sup>th</sup>, 2017 for the September 2017 intake.**

Applications can be sent by post or e-mail within **January 20<sup>th</sup> 2018 for the February 2018 intake.**

Please notice that each course has a limited number of places and enrolments will be closed when reaching the above mentioned limit. When admission is confirmed, students are required to secure their place by returning the Enrolment Form and the receipt of payment of the pre-enrolment fee within 30 days from the Admission Letter's date.

### D. Application for a Study Visa to Italy (for Non European students only)

Upon receiving the enrolment form filled in and signed and the pre-enrolment fee payment, NABA will provide students with all necessary assistance in order to apply for the student visa.

To obtain the visa, NON European students shall submit a specific pre-enrolment form (called Modello A bis, in China F bis) to the Italian Embassy/Consulate in their country of origin.

The deadline to apply for pre-enrolment is usually scheduled by the end of June of each year, but may vary according to the guidelines yearly provided by the Italian Ministry of Education: students are invited to enquire directly the Italian Embassy/Consulate in the country of origin.

It is essential not to miss this deadline or the study visa for enrolment to Italian Universities/Academies might be refused.

This is a very simple step which will allow applicants to book a seat within the quota which is yearly made available to non-EU passport holders. For more information please visit the Italian Ministry of Education website:

**[www.study-in-italy.it/php5/study-italy.php?lang=EN&idorizz=3&idvert=19#doc-2nd-cdp](http://www.study-in-italy.it/php5/study-italy.php?lang=EN&idorizz=3&idvert=19#doc-2nd-cdp)**

and specifically the sections called:

- 2nd cycle degree programmes
- Documents for 2nd cycle degree programmes

## E. Italian Ministry of Education, University and Research: Entry Requirements

Students holding a non-Italian Bachelor Degree shall contact the Italian Embassy or Consulate in the country where the degree was issued in order to ask for the so called “perfezionamento documenti”, consisting in:

- Legalization and translation into Italian – made by a certified translator – of the student’s Bachelor Degree.
- Legalization and translation into Italian – made by a certified translator – of the student’s Academic Transcripts.
- “Dichiarazione di valore in loco” (Declaration of Value) of the student’s Bachelor Degree. The “Dichiarazione di valore in loco” is the document attesting that the study qualification obtained in the student’s country of residence is valid for accessing Italian Universities/Academies.
